You promised to al-ways be with us. You told us  
to the end of our days. Help us live as you want us to live that we  
not to be-a-fraid. You-said you'd pre-pare a place for us in the  
may walk in the light of your way. Thru life's ma-ny tests and tri-  
man-sions that you have made. Help us to love one an-oth-  
er als help us to al-ways loo-k to you. For-give us  
er as you have sa-id that we should do. Help us be  
if we should stum-ble. Raise us u-up to life a-new.  
the fruit-ful branch-es, and be fi-it to dwell with you.
