The Lord is my light and sal - va - tion, Whom shall I fear when He is my fort!

When wick - ed men try to de - vour me, it is my foes who stum - ble and fall.

Al-though a siege be - gins a - round me I trust my God!_____

I on - ly seek one thing from my Lord, that I may live in His house for life,

to gaze up - on the beau - ty of God with - in His tem - ple set up on high.

O hear my voice with mer - cy oh Lord! and raise me up!_____
